

Figure 1

Figure 2a. SCL transgenic construct

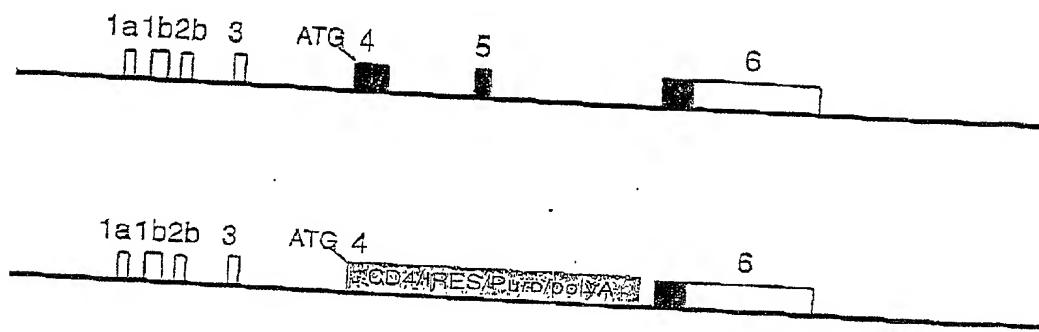

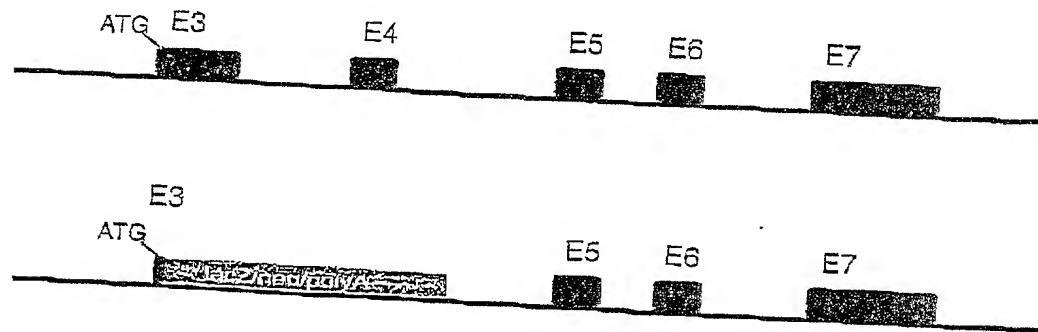

Figure 2b. Ikaros transgenic construct

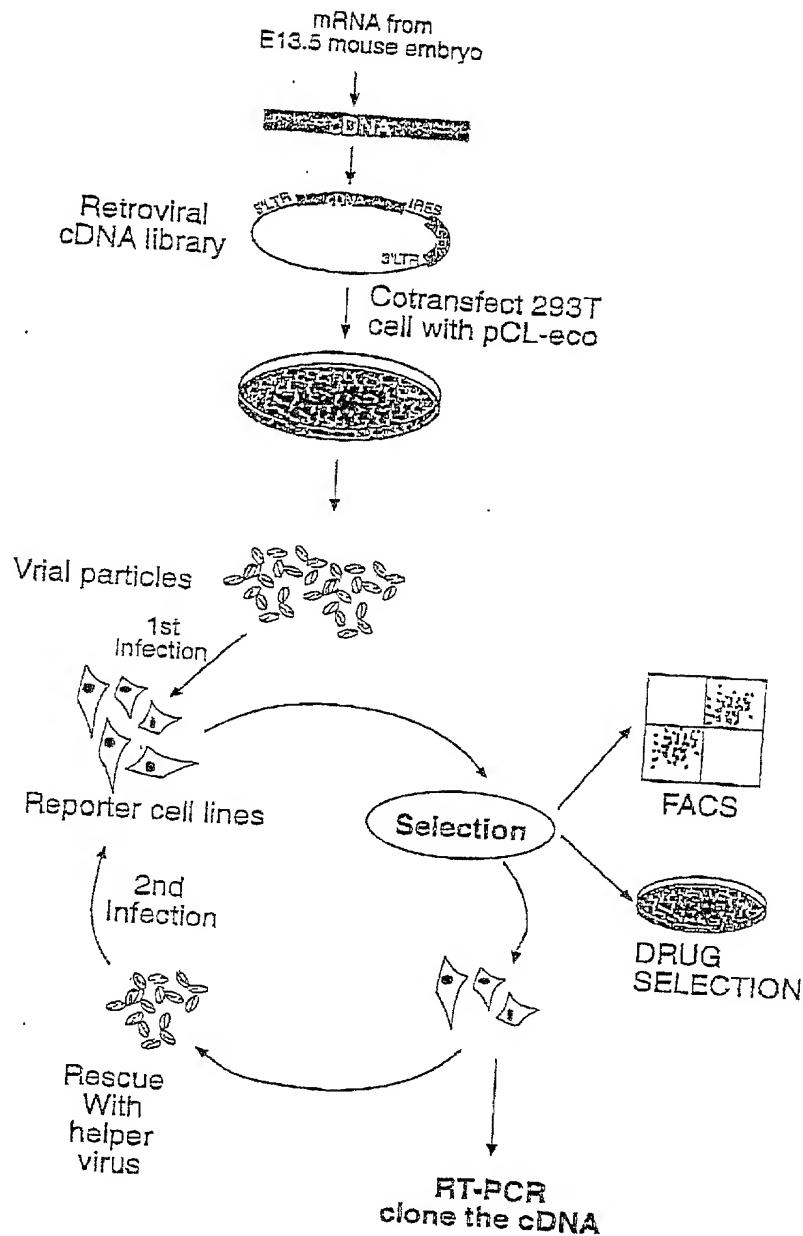

Figure 3a

Negative reporter cell line-
SCL and Ikaros are not expressed
i.e. fibroblast, neuron, ES

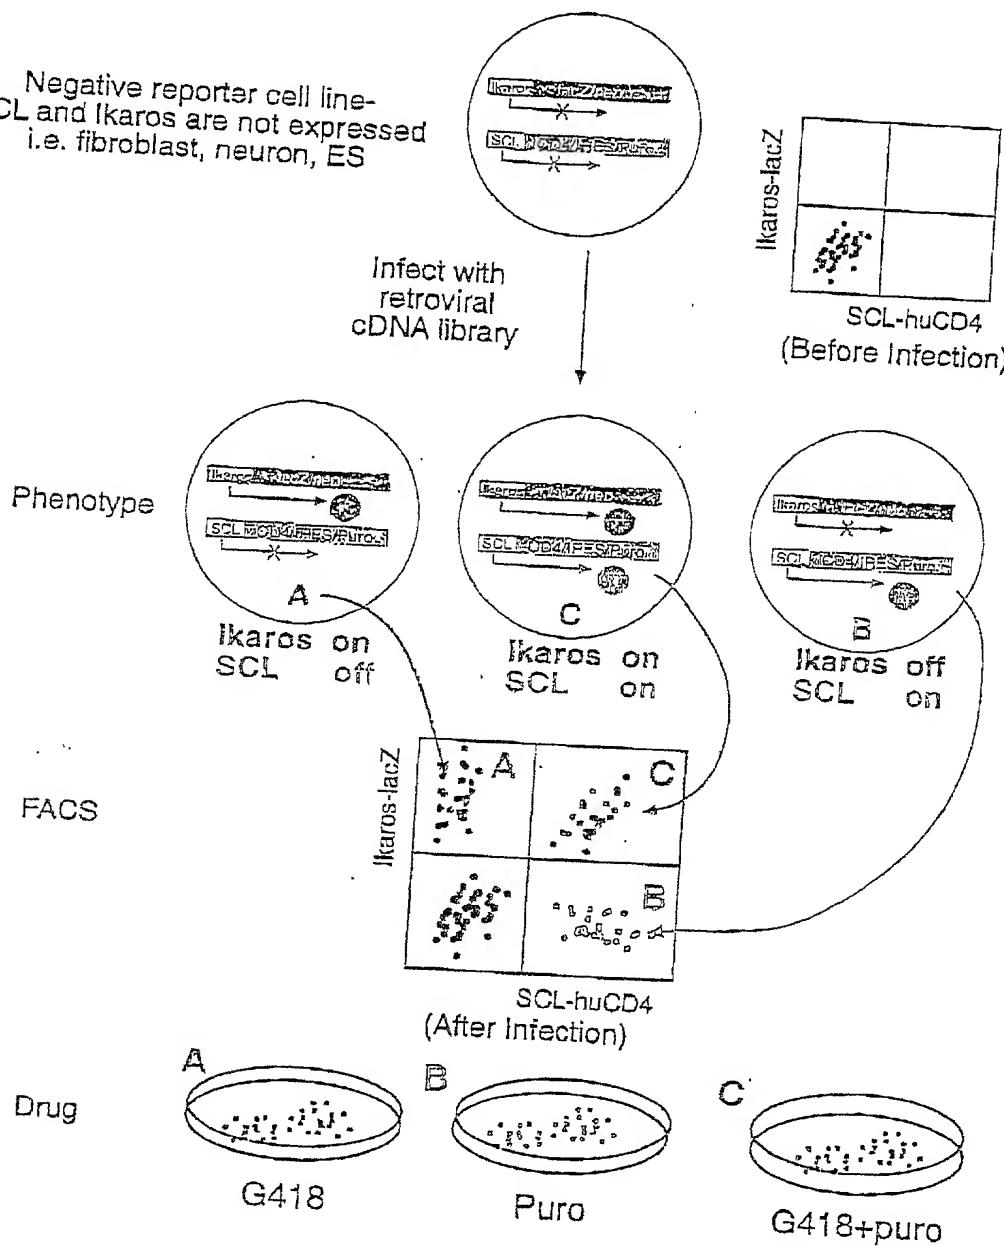

Figure 3b

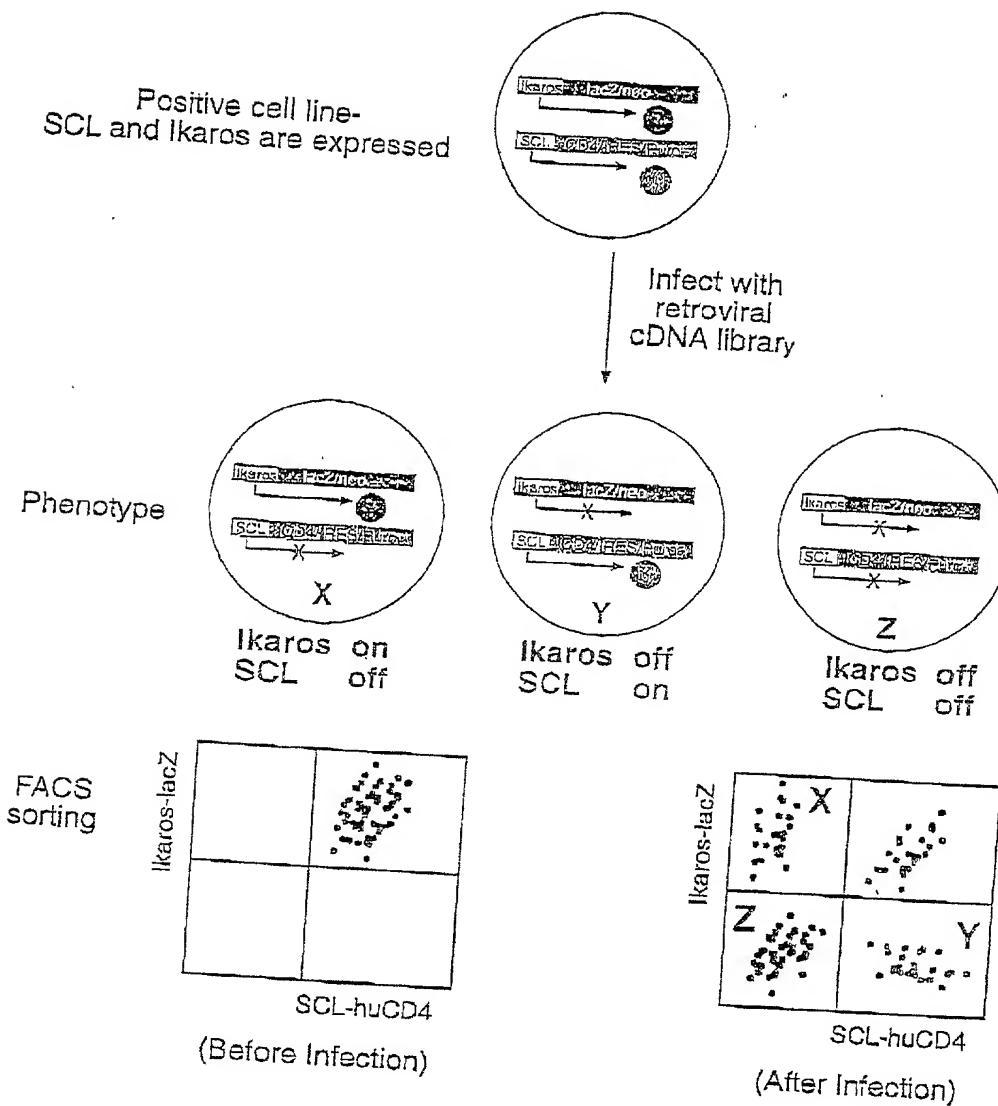

Figure 3c

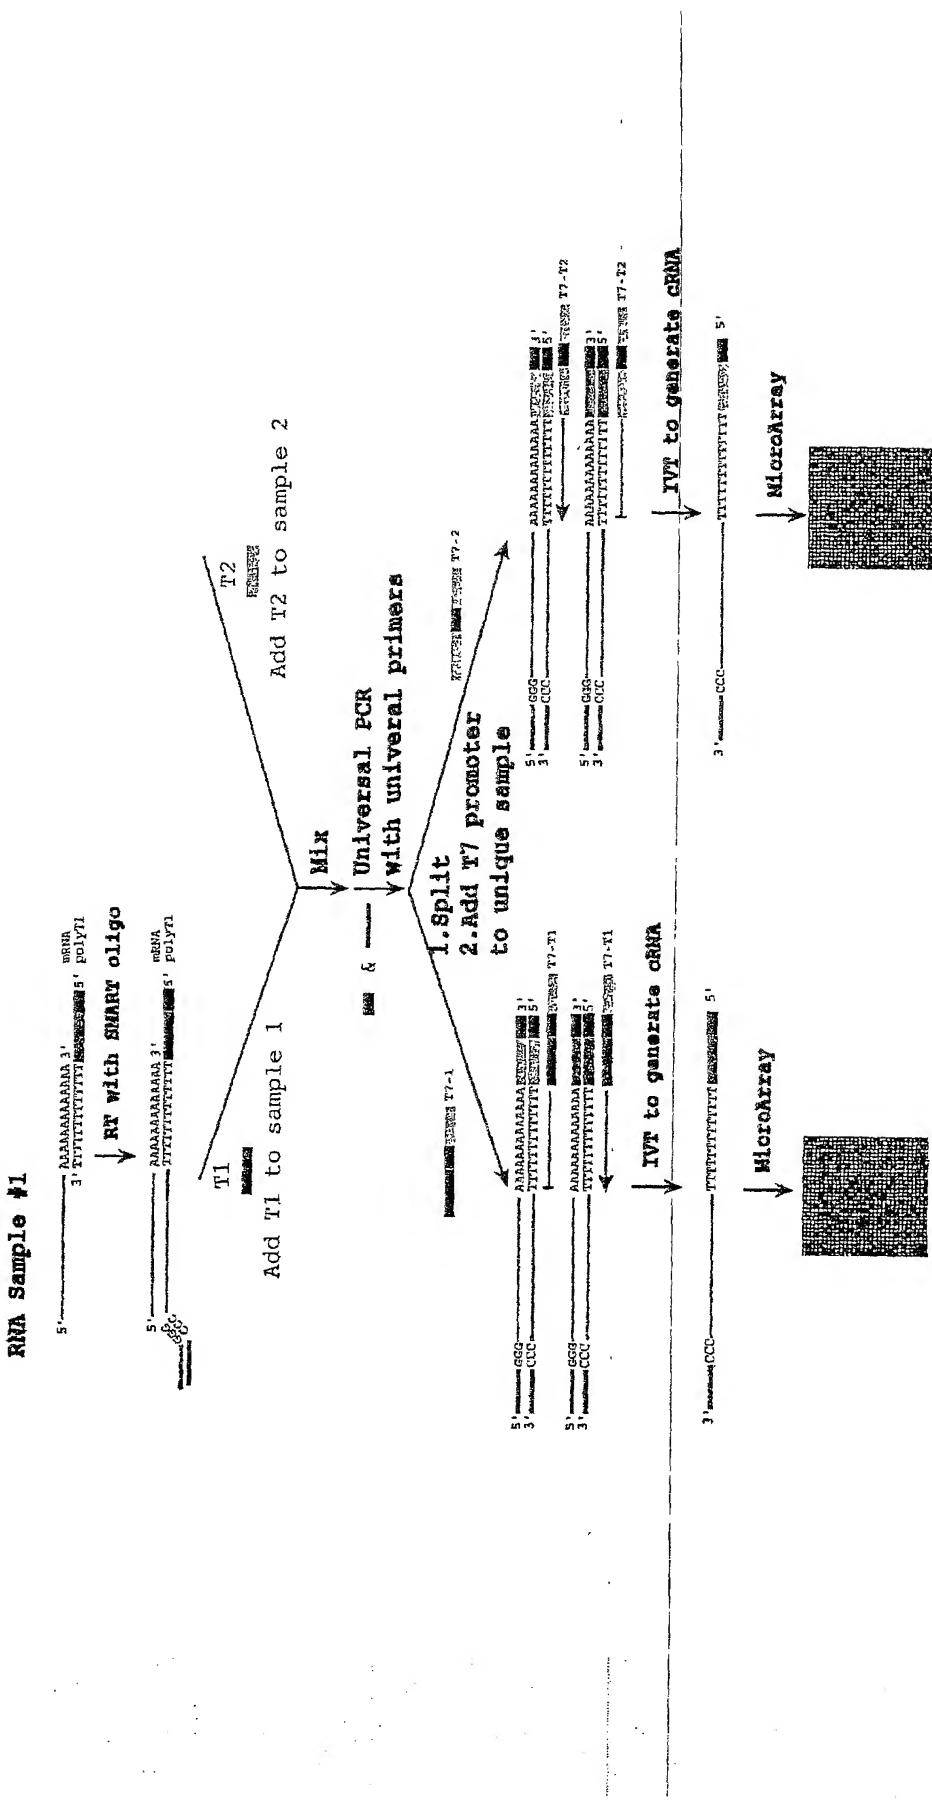

Fig. 4 Schematic diagram of "Referenced PCR Amplification" and its application in DNA microarray analysis.

Docket No.: 0399.2027-001
Title: Stem Cell Self-Renewal and Lineage...
Inventors: Chang-Zheng Chen, *et al.*
